S.Y. "BLUEBIRD"

This is to certify that the sailing yacht "bluebird" built by Charles Nicholson of Gosport in 1910 is now the property of Rixt Tjarda Saagland of 62 Zail Straat, Amsterdam. The above mentioned wooden sloop has been my personal property since 1973 when I purchased it from the Belsize boat yard in Southampton U.K. I know that it will now be in safe hands, and therefore I give it without any charge and without reserve of any kind including aux.motor (BMW D7) and all equipment.
